

2BM Mobile Work Order Privacy Statement

Protecting our customers' privacy is a top priority for 2BM/AS.

2BM Mobile Work Order is a mobile asset management solution which integrates with the customer's SAP landscape. This privacy policy applies to 2BM Mobile Work Order.

The solution is used by the customer for performing inspections, maintenance, and repair of machinery and equipment. The data displayed to the user in the Solution is data transferred from the customer's On-Premise SAP landscape and includes name of user, position, employee number, e-mail, and a photograph of the user.

2BM A/S built the 2BM Mobile Work Order app as a Commercial application. This service is provided by 2BM A/S and is intended for use as is.

This Privacy Policy is used to inform website visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decided to use 2BM Mobile Work Order.

If you choose to use 2BM Mobile Work Order, then you agree to the collection and use of information in relation to this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions unless otherwise defined in this Privacy Policy.

Information Collection and Use

For a better experience, while using 2BM Mobile Work Order, we may require users to provide us with certain personally identifiable information, including but not limited to User, position, employee number, e-mail, user picture. The data originates from the customer's own SAP database and None of this data is held within our system or stored in our database.

Log Data

We want to inform you that whenever you use our Service, in a case of an error in the app we collect data and information called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics.

Security

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission

over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
